

CLEAN-UP™ II AEROSOL INDUSTRIAL GRADE DEGREASER

DESCRIPTION

CLEAN-UP II™ is a specially formulated low VOC blend of solvents designed to quickly dissolve and rinse away dirt, grease, grime, oil, tar and wax while being both environmentally responsible and ozone friendly. The product contains no chlorinated or fluorinated solvents, no hazardous air pollutants and evaporates residue-free quickly.

CLEAN-UP II™ is California compliant and acceptable for use in CARB/OTC States.

CLEAN-UP II™ starts working immediately on contact, breaking down and dissolving even stubborn contaminants without the use of fluorinated, chlorinated or SARA listed ingredients.

CLEAN-UP II™ evaporates quickly while cleaning and leaves a residue-free surface. Safe on all metals and some plastics. Not recommended for use on surfaces affected by solvents such as rubber, paint, some plastics, and synthetic fabrics without first testing a surface for compatibility.

- Replaces 1:1:1 Trichloroethane
- **Caution: Flammable**
- Low Odor
- Residue Free
- Safe on all Metals and some plastics
- Ozone Friendly
- Environmentally Responsible
- Convenient aerosol package

APPLICATIONS

CLEAN-UP II™ is an ideal, environmentally responsible, ozone friendly product for a wide range of automotive, industrial, and marine cleaning applications such as:

Engine Components	Bearings
Machine Parts	Cables
Tools	Gears
Metal Surfaces	Chains
Injectors	

PRODUCT CHARACTERISTICS

Solvent Type	Mixture of Acetone and Heptane isomers
Specific Gravity	0.789
Odor	Light ketone, mild
Density (lb/gal)	6.58
Flash Point	< 0°F (-18°C)
VOC Content	21.3 g/liter
VOC Percent	2.7
VOC Category	Gen. Purpose Degreaser
Kauri Butanol Value (KB)	112
Propellant type	Carbon dioxide
Spray pattern	Tight stream
Dielectric Strength & Breakdown Voltage (ASTM D-877)	6.3 KV AC
Flammability	Extremely flammable
Aerosol Flammability Level	III
California Compliant	Yes
